About Us

Founded in 1983, the HdL Companies are dedicated to helping cities, counties, and special districts achieve their financial goals. We provide solutions to help you increase efficiency, enhance revenue streams, and plan effective economic strategies.

Enjoy client service without limits.

We support you, not just our software. Our municipal expertise can assist you with business processes, best practices, legislative insight, fee studies, and much more.

Don't settle for an "Enterprise" module when you can have the best.

Only HdL's solution is designed specifically for local tax by a leader in municipal finance, refined through collaborative input from hundreds of municipalities, and employs the latest technologies and user experience techniques. We'll also integrate with your other systems, allowing you to enjoy the best without compromise.

HdL is the most widely selected local tax software provider.

Only HdL provides all of the following: cost effective pricing so as to be available to municipalities of all sizes, extensive municipal expertise, high quality customer support, powerful features, elegant design, and intense dedication to our local government clients.

HdL's online business portal streamlines the process for both your team and your business community.

Offering quick and simple tax calculations, payments and electronic notifications, the online business portal enables a higher level of customer service and efficiency.

Powerful Solutions. Proven Results.
